====================
Enter 3 integers: 2 8 5
Median number is 5
====================
Enter 3 scores: 70 70 80
Your letter grades are B+, B+ and A with an 73.3 average
====================
Enter an arithmetic operation (+, -, *, /) : *
Enter two numbers: 4 5
Result: 20
Bravo, correct answer!
====================

=====================
Enter 3 integers: 55 12 98
Median number is 55
=====================
Enter 3 scores: 43 50 30
Your letter grades are D, C and F with an 41.0 average
=====================
Enter an arithmetic operation (+, -, *, /) : +
Enter two numbers: 3 4
Result: 8
Wrong answer, try again.
